Who is the Lake Simcoe Conservation Foundation

The Lake Simcoe Conservation Foundation's vision is for a cleaner, healthier Lake Simcoe watershed that will inspire, motivate and enrich us all. Our mission is to raise money to support a cleaner and healthier Lake Simcoe watershed through the funding of specific projects of the Lake Simcoe Region Conservation Authority. We support Initiatives that help:

- Improve water quality and fish habitat in Lake Simcoe, its rivers and streams
- Reduce invasive aquatic plant growth in Lake Simcoe, its rivers and streams
- Provide environmental education to Lake Simcoe watershed residents
- Protect, restore and enhance our green spaces and wetlands
- Develop partnerships that promote Lake Simcoe watershed science, education and public awareness

The Conservation Dinner is our annual signature fundraising event. This highly anticipated event is attended by Elected Officials, business and municipal leaders, Authority and Foundation Board and staff as well as individuals who all share our vision of a healthier Lake Simcoe watershed. Over the past 14 years alone, the event has raised over \$2 million.
